Description

Description

Capital Grants

Capital Grants support specific capital projects, equipment purchases or construction, to small Dane County nonprofit arts, culture, and local history organizations. Range of activities supported include: purchase of permanent equipment, construction of permanent exhibitions, building construction, improvements or expansion, and historic preservation initiatives.

Eligible Applicants

- Nonprofit Organizations (with proof of 501(c)(3) status)
- Qualified Designated Fiscal Receivers in Dane County for organizations without formal nonprofit status
- Those applying as an individual must contact Dane Arts to determine eligibility
- Projects and programs must be located in Dane County, Wisconsin
- Applicant organization must be located in Dane County

Additional Eligibility Considerations

- Applicants may not submit more than one Capital Grant Application per cycle
- Schools, school districts, and municipalities may apply only if the capital project directly serves the greater community
- Capital grants are not available to individuals, public libraries, fraternal groups, churches, commercial businesses, neighborhood centers, and higher educational institutions
- Capital grants for any single ongoing project will be limited to a total of five Dane Arts grant awards. This limit does not apply to capital grants awarded prior to 2011
- Applications will not be considered from grantees that have not fulfilled obligations to the Commission under terms of prior grant awards

Project Budget Requirements

- Dane Arts grants may account for no more than 50% of a total project.
- The amount requested must be matched on a dollar-for-dollar basis. Application budgets must include cash contributions in fulfillment of the matching requirement.
- A budget error may disqualify an application.
- Dane Arts grants may not be matched by other Dane County tax dollars.
- A grant award in a lesser amount than what is requested by an applicant may be offered.
- A grant in any amount carries no commitment for future support by the Dane Arts beyond terms of the project supported.

Dane Arts Capital grants MAY be used for:

- Permanent equipment, i.e., a durable product having a useful lifespan of more than two years
- Capital projects with permanent, lasting significance

Dane Arts Capital grants MAY NOT be used for:

- Purchase of artwork
- Purchase of historical artifacts
- Theater scripts, stage properties, costumes, music and dance scores
- Books and other printed materials
- Computer equipment, systems or software

- Improvements to private residential or commercial property
