

Dane County Cultural Affairs Grant Policy

Grant Cycles

There are two grant cycles. The deadlines are February 1st at 4:00pm, and August 1st at 4:00pm.

Project Periods and Deadlines

Each grant cycle focuses upon primary activities that happen within certain date parameters and applies to a specific 14-month project period. Grant cycle project periods are defined as follows:

- First Grant Cycle (February 1st application deadline): for primary activities including public presentations happening between May 1 of current year through June 30 of the following year.
- Second Grant Cycle (August 1st application deadline): for primary activities including public presentations happening between November 1 through December 31 of the following year.

Maximum request amount allowed:

\$1,000 short order grant

\$5,250 project grant

\$3,000 capital grant

Number of projects allowed per cycle

One organization will be allowed to apply for two project grants in one of the 2 cycles as long as all funding requests in one year, over the 2 cycles, does not exceed \$10,500.
